

## Election Platform

Hello, my name is George Joseph, and I am running for the position of director of the CLA board specifically, as the regional representative for the Northwest.

It is trite to say that the issues surrounding the criminal bar in the GTA can be vastly different than the issues that face their Northwest counterparts.

My tenure so far has brought the perspective from our region to the board so that the organization can be fully informed of the issues that ALL its' members face. I hope to continue to do so.

Toronto solutions do not necessarily translate into Northwest solutions. I like to think that my participation on the board so far (and hopefully moving forward) has and can bridge the unique challenges faced by our region.

If elected, I will continue to be a voice within the organization for the Northwest.
