

## Election Platform

CLA member since 1991. Called to the Bar in 1996. Lifetime defence lawyer. This is the first time I am applying to be a board member, but over the years I have contributed by speaking at conferences and behind the scenes organizing. From 2013 to 2020 I was an adjunct professor at Osgoode Hall Law School where I taught Criminal Procedure. I have lectured for the Garage Series and frequently at Osgoode and U of T for their animal law programmes. I have experience on committees and most recently represented the Toronto Lawyers Association on two committees relating to the New Courthouse. I have also been active with Legal Aid Ontario. I hope that the trusted relationships I have developed over the past 28 years with the Judiciary, MAG, Sol Gen, and LAO will assist in advocating for our members and those we represent. If elected, I look forward to being a very active director.
