Mental Health Committee

THREE key accomplishments in the last 12-months:

- Organized a 4-part lunchtime speaker series with MAG focused on the well-being of criminal lawyers
- Organized a panel on fitness hearings for recent calls
- Clarified the committee's terms of reference to increase transparency

THREE key initiatives underway:

- Creating of a list of lawyers willing to take on clients whose criminal law issues intersect with mental health concerns
- Address the issues of in-custody clients with mental health issues
- Increase communication between the bar and mental health courts
